VARSITY LETTERS IN FOOTBALL, SOCCER AWARDED AT ANNUAL CHRISTMAS DINNER

MR. WILLIAM G. AVIRETT
Toastmaster at Christmas Dinner

WILLIAM G. AVIRETT, *Toastmaster*

On Tuesday, December 17, the Governors enjoyed their annual Christmas Dinner in the Lang Gymnasium. Mr. William G. Avirett, education editor of the *New York Herald-Tribune*, was toastmaster for the occasion, and Dr. William E. Park, President of the Northfield Schools, was the principal speaker.

The gymnasium was filled to capacity with students, parents, and friends of the Academy, and a delicious dinner was provided by Mr. Leonard Wright, school steward, and his staff of student helpers.

The presentation of athletic awards and varsity letters in football and soccer followed the dinner. J. Bradford Harlow of Winchester received the Varsity Football Trophy as most valuable member of this year's team. The Varsity Soccer Trophy, for that boy whose spirit, enthusiasm and leadership contributed most to the success of the team, went to John A. Morgan II of Santa Monica, California.

Mr. Sager awarded varsity football letters to twenty-six players and two managers, and in making the presentation he commented briefly on the contribution each boy had made to the team. Varsity soccer letters were then distributed to sixteen players and two managers by Mr. Navins, who also spoke about the individual achievement of his players. A complete list of boys who received varsity letters in football and soccer will be found on page 16.

At the close of the evening's program, students and guests were led by Mr. Sager, director of the Academy's Glee Club, in singing Christmas carols.

For the first time this year 'C' squad and 'Pony' football and J.V. soccer players had received their awards at the Thanksgiving Dinner on November 26. A complete list of boys who received athletic awards at the Thanksgiving Dinner will also be found below.

COMMENCEMENT DATES, INGHAM HOUSE DEDICATION ANNOUNCED

The Academy's 184th Commencement Exercises will begin at ten o'clock Friday morning, May 30, 1947 (when the new dormitory, Ingham House, will be dedicated.) The Exercises will close at noon on Saturday, May 31. Dr. Claude M. Fuess, trustee of Governor Dummer and headmaster of Phillips Academy, Andover, will preside at the Commencement Dinner on Friday evening.

The Commencement Exercises are planned for all parents and friends of the school, and not alone for relatives of the graduating class.

Vespers

October 27: Reverend Stanley E. Anderson of the Belleville Congregational Church, Newburyport.

November 3: Reverend Markham Stackpole, formerly school minister of Milton Academy.

November 10: Dr. Henry M. B. Ogilby of the Church of Our Saviour, Brookline.

November 17: Dr. Everett C. Herrick, formerly President of the Andover-Newton Theological Seminary.

November 24: Dr. Allan V. Heely, Headmaster of the Lawrenceville School.

December 8: The Reverend A. Graham Baldwin, school minister of Phillips Academy, Andover.

* * *

Mr. Anderson chose for his topic the question "Why do we do what we do?" Our actions are guided by our thoughts, our loves, our worship, and our personalities. We should strive to know what we are so that we can have confidence in what we do and will do. It is useless and harmful to pretend to be either more or less than we are. By being ourselves, we can achieve a consistency which will make us more worthwhile.

* * *

Mr. Stackpole talked about getting along with people. Every phase of our lives consists in some degree of getting along with others. Three keys to successful friendship were suggested by the speaker. First, *don't be a 'yes-man'*. Be straightforward in opinion and action. Second, *be dependable*, keep your word, carry out promises faithfully, and fulfill the responsibilities you assume. Third, *be natural and friendly* in your relation with other people.

* * *

Mr. Ogilby spoke about informal and impromptu prayer. We should remember that it is not the form and rhetoric of the prayer that counts, but rather what is meant. Since God is a Father who wants us to open our hearts to Him, the best way of appealing to Him is to speak our own hearts in our own way. We should not hesitate to pray whenever we feel the need of help, whether it be on the athletic field, in the classroom, or in church.

* * *

Mr. Herrick pointed out that we do not live in a small world, as people often say.

The size of the world is not measured by the speed of transportation and communication. The complexity of its problems is the only true index to the world's size. We find ourselves not big men in a small world but little men in a big world. Our personal greatness is not to be measured in terms of feet and inches. Human greatness is measured in terms of knowledge and wisdom and spiritual power. As one's problems grow his idea of God should grow in proportion.

* * *

Mr. Heely said that what we need is more faith and steadfastness of spirit. No one ever heard of a successful farmer who browsed about with a plow, yet in the management of our lives, where such a thing is just as foolish, many of us have fallen into the habit of browsing. To make things worse we label all persons who have conviction and vision as fools. The world is in great need of more 'fools' of this kind who believe what they are fighting for to be right and therefore work toward it with unconquerable energy and faith.

* * *

Mr. Baldwin said that education was the chief hope of the world. Education should help one to know the great thoughts of the past, to think clearly and distinguish between reason and rationalizing, to control his emotions, and to develop a strong social conscience. Beyond these four things it should help him to know God.

SCHOOL CALENDAR, 1946-47

<i>Christmas Vacation:</i>	Wednesday morning, December 18, to 6:30 P. M. Monday evening, January 6, 1947.
<i>Spring Vacation:</i>	Saturday morning, March 8, to 8:30 P. M. Sunday, March 30, 1947.
<i>184th Annual Commencement:</i>	Begins 10:00 A. M., Friday, May 30, with dedication of new dormitory, Ingham House; ends noon Saturday, May 31, 1947.

NOTE: Unless there is a real emergency, parents are requested not to ask for exceptions to this schedule.

GOVERNORS SEND SHIPMENT TO AFFILIATE IN EUROPE

Governor Dummer's affiliation with the Cours Complémentaire et Ecole de la Rue Guilbert of Caen, France, began to assume tangible form recently with the shipment of a large chest of clothing to be used by students of that school. The clothing was collected by the students of the Academy last spring.

The selection of a school was made possible late in the summer through the Overseas Schools Committee of which Dr. Alfred E. Stearns, former headmaster of Phillips Academy, Andover, is chairman. Shipment of clothing was expedited by the American Friends Service Committee through which Dr. Stearns' group works.

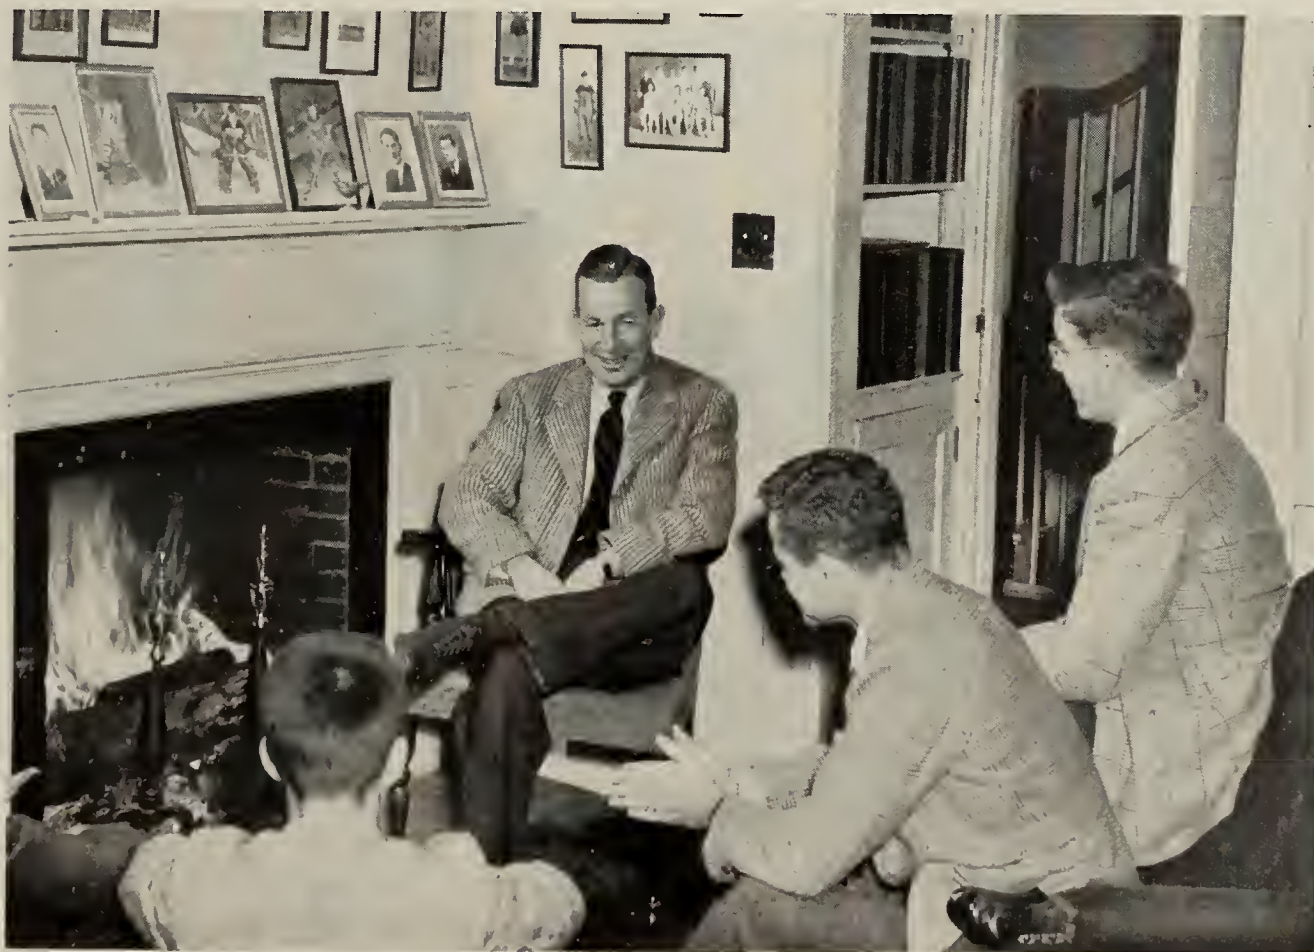

The Cours Complémentaire et Ecole de la Rue Guilbert is located in the center of the invasion country and was subject to repeated bombings by both Germans and Americans. Pictures which have recently arrived here indicate the desperate conditions under which the school is now operating.

WINSOR SCHOOL GIRLS SING WITH GOVERNORS

The Winsor School Glee Club appeared in a combined concert with the Governor Dummer Academy singers at the Academy on the evening of December 14. The visitors arrived in the afternoon and a rehearsal was held in the Lang Gymnasium with the clubs' directors, Miss Elsbeth Jones and Mr. Arthur W. Sager in charge. After this rehearsal the Governors escorted their visitors to dinner in the Phillips Building.

The concert, which began at 8:00 in the gymnasium, included selections by the two clubs separately and the combined singing of three numbers: *Glory to God in the Highest* by Pergolesi, *Break Forth O Beauteous Heavenly Light* by Bach, and, as special feature of the program, an arrangement of *'Twas the Night Before Christmas* made famous by Fred Waring's recording.

At the close of the concert the audience joined with the glee clubs in singing Christmas carols. Dancing followed in the Cobb Room of the Phillips Building.

MR. EMERY ENTERTAINING A GROUP OF BOYS IN PEIRCE HALL

THE ARCHON OF GOVERNOR DUMMER ACADEMY

THE MANSION HOUSE

This beautiful colonial house, built about 1740 by Lieutenant-Governor William Dummer, is now the Headmaster's home.

The Circulation Board wishes to thank those persons who answered a request for information about the condition in which the magazines were reaching their various destinations. About 150 of the 200 reply cards enclosed in the October issue have returned, and all indicate that the methods used to safeguard the Archon in transit have been successful. If copies have been delivered anywhere in damaged condition, the Circulation Board will appreciate hearing about it.

MORE BRIEFLY

Mr. and Mrs. Benjamin J. Stone have a new daughter, Helen Gibson Stone, who was born on November 20.

* * *

Dr. Ingham, former headmaster of the Academy, has recently been elected to a fourth term in the Connecticut House of Representatives.

* * *

On Tuesday, November 26, Mr. Theodore Jones, Dean of Hamilton College, visited school and interviewed students.

* * *

Mr. and Mrs. George C. Bright have a new son, William Parker Bright, born on November 29.

* * *

On Monday, November 4, Mr. William K. Selden, Director of Admissions of Northwestern University, visited the school.

* * *

On November 10, a busload of Governor Dummer students went to Boston to see the motion picture Henry V, now in its eighth month at the Esquire Theater.

* * *

A two volume edition of Funk and Wagnalls' New Practical Standard Dictionary has recently been presented to the school by Mr. James B. Ferguson, a member of the class of 1916 who is now living in Barrington, Illinois.

* * *

On Saturday, December 7, twenty-nine members of the Archon Staff visited the Christian Science Monitor Building in Boston. This five million dollar structure is one of the world's finest publishing plants.

MR. CURRIER DISCUSSES COAL STRIKE AT MEETING

At evening meeting on November 21, Mr. Currier gave a brief talk to faculty and students on John L. Lewis and the soft coal strike. Mr. Currier explained how it was possible for the leader of a minority group to paralyze our nation's economic system. Ninety-five per cent of the locomotive power used in this country is provided by soft coal, as is sixty per cent of the electricity. Thus Mr. Lewis, as representative of the soft coal miners, holds enough power to defy the federal government, or try to. He does this in spite of 'no strike' legislation passed during the war.

Mr. Currier suggested the possibility that the government might extend the draft in order to call up the striking miners and make them return to work under military orders. This is unlikely, he said, but some similarly stringent measure must be imposed if the strike is to be broken. In popular judgment no group within a society has the right to imperil the general welfare of that society.

In closing Mr. Currier urged the students to keep in contact with current events.

DR. WILLIAM E. PARK
Principal Speaker at Christmas Dinner

STUDENTS HOLD TOWN MEETING IN COBB ROOM

On Friday, December 6, the whole student body participated in a Town Meeting at which the subjects of discussion were Senator Fulbright's proposal that Truman resign and the validity of professional football as a national sport.

On the first issue, "Resolved; that professional football should be allowed to continue," Fritz Freeman presented the affirmative argument and Sam Gwynne the negative. Following these official representatives of the opposing views, other boys rose to speak, among them Phil Saxe, John Walker, Will Ward, Richard Palais, and Jim Soper. The whole student body then indicated its opinion by a vote which was overwhelmingly opposed to professional football.

The second issue, "Resolved; that President Truman should accept the Fulbright Resolution and resign," was discussed at some length by Charlie McLaughlin, representing the affirmative, and Henry Dunker, representing the negative. Ben Birdsall also spoke in favor of the Fulbright plan, and Vernon Hawkins offered further reasons why the President should not resign. A vote taken at the close of the discussion showed 101 students believed that Truman should remain in office, and 88 believed that he should resign.

Mr. Currier was in charge of preparations.

MORE BRIEFLY

The October issue of the *Archon* was mailed to about 1500 alumni of the Academy in addition to the regular mailing list.

* * *

Mr. Albert L. Kerr of Andover, father of Colin Kerr, formerly a member of the faculty, has recently presented to the school a sum of money to be used in purchasing books for the browsing library in the Cobb Room of the Phillips Building.

* * *

Continuing a long standing tradition, the Governor Dummer baseball nine will meet the Deerfield team in a game which will be part of the Deerfield Commencement exercises next June 4.

* * *

Mr. Emery Walker, Director of Admissions of Brown University, spoke to the school at evening meeting on October 28. After the meeting he interviewed college candidates.

* * *

The boy pictured on the cover of this issue is Hoover Sutton, a member of the varsity football team. The photograph was taken by Jay C. Curtis.

* * *

Pete Houston and John Morgan have been elected co-captains of the soccer team for the 1947 season.

Newly-elected Congressman John Kennedy (at right) With Seniors Following Speech

JOHN KENNEDY ADDRESSES SCHOOL ON POLITICS

Mr. John Kennedy, recently elected to the United States Congress from Boston's 11th District, spoke to the school at evening meeting on Friday, November 15. Mr. Kennedy is the son of Joseph Kennedy, former ambassador to the Court of St. James. He said he believed he had made about five hundred speeches in the course of his recent campaign, and that he particularly enjoyed making this five hundred and first talk because he could feel a good deal freer about what he said in talking to a group of students than he usually did when speaking to potential voters.

Mr. Kennedy pointed out that a large part of the politician's job consists in taking care of his constituents, particularly the poor people. This does not mean providing education. It means providing food and jobs and entertainment. A large part of his district, he said, is made up of homes where people live three or four to a room. The main problems are those of immediate survival. In a recent slum survey it was learned that 45% of the persons interviewed thought that housing was the greatest problem of govern-

ment; 55% thought the greatest job facing the government was *garbage removal*!

Most persons responsible for electing public officials do not care whom they elect. Voting is done either along racial lines, party lines, or no lines at all, simply haphazardly. In a recent election in Germany, it was shown that only ten per cent of the voters were concerned about who was elected. Only about 10 per cent of eligible citizens vote in New York. When this situation exists it is difficult to see how the few people who are interested and well-informed in matters of government can exercise the influence they ought to in the conduct of national affairs.

Mr. Kennedy said in closing that he hoped each boy in the audience would make it a point to be interested in politics even if he did not run for office himself. He stated quite frankly that he had had words of praise but very little assistance from the well-educated elements in his district. Such assistance would have helped a lot, but those who were capable of giving it were indifferent when it came to actually doing something. If a political candidate seems worthwhile there are numerous things anyone can do to help him win an election, and Mr. Kennedy suggested that a little later on the boys could be active in political campaigns.

EDITORIAL

According to Webster's Collegiate Dictionary volley ball is: "—a game played by volleying a large inflated ball, with the hands, over a net." If Webster had visited Governor Dummer between the end of football season and Christmas vacation he might have expanded this definition. Through the years Governor Dummer has developed its own rules for this great sport.

The visitor approaching South Byfield can hear the 'shouting and the tumult' as far south as Topsfield, and the tremors and rumblings resemble those of a volcano. Once on campus, he must watch his step to avoid collisions with weird figures in truncated blue-jeans, coonskin caps, and multi-colored T-shirts rushing to the fray.

If said visitor dares venture into the Lang Gymnasium he witnesses a spectacle which, in the words of a well-known member of the

faculty, is 'out of this world'. Amid screams from the balcony eighteen frantic players whirl through fifteen minutes of extreme tension and excitement, to be followed by eighteen others equally frantic. Above the general confusion of sound and action an occasional individual stands out. One player in a deceptive Olympic shirt stands in a corner with his hands over his eyes trying to avoid contact with the flying sphere. Another plays all nine positions at once, heaving his sylph-like form hither and yon with the abandon of an adagio dancer. Still another, when frustrated by a referee's decision, spends the remainder of the game sitting on the ball.

A query about the rules and origin of this mass hysteria may lead our hypothetical visitor to the inner sanctum of the fabulous 'Poobah of the Pushball.' Here he will learn that this high potentate of pandemonium is no less than a 'so'then gentleman' whose mild manners belie his connection with so furious a pastime. Says the Poobah, "This game originated, in the memory of the oldest living inhabitant, sixteen years ago. Ah've been in charge for the last four, and ah've never lost a game unless mah craftiness happened to be overshadowed by mah honesty. The rules were made by Governor Dummer for the protection of the masters. There was a time when it was legal to cross the middle line, but too many masters were knocked down by boys on the opposing team so the rule had to be changed."

Our visitor would probably be asking himself at this point just why the tradition has ever developed and why it is allowed, nay encouraged, to continue. A well-informed participant in the volley-ball competition would soon set him straight. This inter-season volley ball tradition is one which everyone connected with the school holds dear. It is a unique chance for everybody to get to know everybody else while all are engaged in a common activity. It is the only school-wide intra-mural sport at Governor Dummer.

J.R.W.

HEADMASTER'S CALENDAR

On November 3 Mr. Eames delivered the sermon at the Sunday morning service at Phillips Exeter Academy.

On December 16 the Headmaster made an address before the Fortnightly Club of Haverhill.

FALL SPORTS

GOVERNORS LOSE LAST THREE FOOTBALL GAMES

GOVERNORS BOW TO BELMONT HILL, 14-0

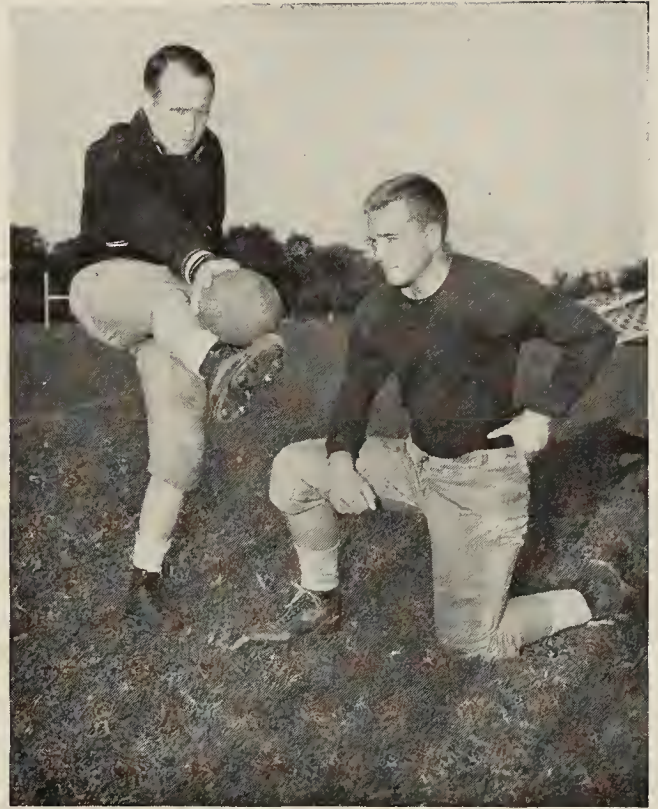

Playing without the services of the Sutton brothers, the Governors lost to a hard-driving Belmont Hill team 14-0 on October 26 on Morse Field. Although the game was close all the way, the visitors managed to score in the second and fourth periods. They completed a twenty yard pass into the end zone for the first score and plunged through center for the second. In a losing cause acting captain Harry Lowell and Frank DuGrenier were defensive bulwarks. Brad Harlow and Joe Welch were also outstanding.

MOSES BROWN EKES OUT 6-0 VICTORY

On November 2 the Moses Brown eleven downed the Governors on Morse field to the tune of 6-0. Three veterans played vital roles in the home team's stubborn defense against the powerful visitors. Billy Brown, at fullback, sparked the Red and White throughout the game with brilliant play both offensively and defensively. Fred MacBurnie twice halted scoring threats around end, and Ben Pearson, back in the lineup after two years in the navy, blocked a punt in the third period and an attempted conversion kick in the fourth. Other Governors who played topnotch ball were Frank DuGrenier, Ed Feeley and Lee Wilson.

TABOR RUNS UP BIG SCORE AGAINST GOVERNORS

The Governors final game of the year was played at Tabor Academy on November 9 and ended in a 43-0 victory for the Tabor aggregation. It was a day for Tabor when nothing could go wrong, whereas several fumbles by the Governors' backfield led to enemy scores. At half time the score was 13-0 for Tabor and the situation appeared to be improving for the visitors. In the last two periods, however, Tabor's Perry ran wild, and the home team racked up five touchdowns. All Tabor's scoring came through passes or end sweeps. No yardage was gained through the Governors' line which was sparked by the fine defensive play of Dunker and Lowell.

MR. C. NELSON COREY '35
New Assistant Coach of Varsity Football

GOVERNORS DOWN TABOR IN SOCCER THRILLER, 3-1

On November 9 the Governors' soccer team wound up a successful season by defeating a strong Tabor outfit on Whipple Field, 3-1. Early in the first period the Tabor right wing, Crossman, booted in a shot that the Governors' goalie could not control.

In the second quarter the able defense work of goalie Fritz Freeman, Danny Hall and John Heyl was successful against the wind and against a determined and aggressive Tabor attack. Mac McCusker succeeded in scoring the Governors' first goal in this period. In the third quarter Ash Eames put the Red and White ahead when he shot during a scramble in front of the visitors' goal.

In the final quarter the Governors made their last goal of the season when McCusker booted in a beautiful kick after a brilliant team-up that started in midfield and ended with a pass from Eames to McCusker to goal.

WINTER ATHLETIC SCHEDULES--1947

The following schedules have been announced for the Winter Athletic Season by Mr. Murphy. These schedules are not entirely complete; other games may be added later in the term.

HOCKEY SCHEDULE

Saturday January	11	Middlesex School	home	2:30
Wednesday "	15	Belmont Hill School	home	3:00

Wednesday March	5	Browne and Nichols School	away	3:30

J.V. PONY LETTERS AWARDED AT THANKSGIVING DINNER

The Academy celebrated Thanksgiving and the imminent holiday with a gala party on the night of November 26. A festive banquet was provided in the school dining hall by Mr. Wright, the school's steward.

After dinner, athletic letters were awarded to members of the J.V. Soccer team and 'C' squad and 'Pony' football teams. Mr. Currier awarded letters to nineteen players and two managers of the football 'C' squad, Mr. Maxson presented letters to fifteen players and two managers of the 'Pony' football team, and Mr. Stone distributed awards to twenty players and two managers of the J.V. soccer squad. Each coach spoke briefly about the performance of individuals on his team.

The names of all boys who received letters on this occasion will be found on page 16.

Presentation of athletic letters was followed by a movie in the Lang Gymnasium. Football Highlights 1938-41, the film chosen for the occasion, was enthusiastically received, and after the show the school retired with minds intent on the beginning of the Thanksgiving vacation the next morning.

GOVERNORS LOSE TO ANDOVER BY 1-0 SCORE

On October 29 the Red and White soccer team lost to Phillips Academy 1-0 at Andover.

In the first quarter the play was fairly evenly balanced with perhaps a slight edge for Andover. In the second quarter the Governors came back strong and controlled the play for almost all the remaining time. About six minutes after the half, however, the Andover left inside took a freak shot at the goal which bounced off the top and fell in to score. In the last quarter the Red and White took more goal shots than Andover managed to take all afternoon. Even this last desperate attempt to even the tally failed, however, and the game ended 1-0. The spirit and determination of the whole team made it an exciting game to watch and coaches of both teams afterwards agreed that it was anybody's game right down to the last whistle.

MEDFORD DOWNS GOVERNORS IN SOCCER BY 5-1 SCORE

On November 6 the home soccer aggregation was defeated roundly by a powerful Medford High School team. Ash Eames threw consternation into the ranks of the visitors when he made the first tally of the contest on a powerful shot from the left of the goal. Medford did not remain in trouble long, however. Sparked by Captain Bennett, they made four consecutive goals to lead 4-1 at the half. In the third period Medford added another tally, but after that they were unable to score.

PONY TEAM COMPLETES SUCCESSFUL SEASON

The Governors' Pony football team captured its first victory of the season by defeating a similar squad from Portsmouth High School 12-0 on Morse Field, October 25. All the scoring came in the first period. In that stanza Pete Yates travelled 60 yards to score on the first play from scrimmage. Later in the period Tom Otis, playing 2-back, tallied to complete the scoring. Yates and Otis, together with linesman des Cognets, spearheaded the attack.

On November 6, Brooks School played host to the Pony team at North Andover and handed it a 19-13 defeat. Though considerably outweighed the Governors came close to victory in the second half. The action of the first half was composed largely of two sustained marches by Brooks both culminating in scores. The Governors entered the second half trailing 12-0 but immediately started a touchdown drive climaxed by Yates 7-yard buck across the goal. The Red and White failed to convert, and things became critical shortly afterwards when Brooks scored another seven points. Late in the final stanza Dick Fischer took the ball from a Brooks carrier and raced 35 yards to score. Yates passed to Judson for the point after touchdown. Outstanding for the Governors were Yates, Fischer, and Elbow.

The last game of the season for the 'Ponies' took place at the Emerson School, Exeter, New Hampshire, on November 13. The Red and White team made a good showing in the first quarter but was unable to score. Emerson tallied in the last three quarters and won by a score of 20-0.

HOCKEY TEAM WORKS OUT WITH BELMONT HILL

On December 2 and 9 the varsity hockey team worked out in pre-season practice with the Belmont Hill School varsity. Practice sessions were held at the Boston Skating Club. On December 11 the hockey team had its first scrimmage of the season against the Harvard Freshman team at the Boston Arena.

Old boys back in the lineup this year include the following: Bill Bailey, Ash Eames, Peter and Hoover Sutton, Mac McCusker, Lee Wilson, Danny Hall, Don Knowlton, Dave Pierson, Ben Pearson, and Harry Lowell.

The tournament which is usually held at the Skating Club in Boston during the Christmas Holiday has been postponed.

J. V. SOCCER TEAM PLAYS TWO GAMES AWAY

The Red and White J.V. soccer team has played three games during the fall, losing two and tying one. In the first encounter of the season, the J.V.'s met a strong St. Mark's varsity squad at St. Mark's on October 23 and suffered a 2-0 defeat. The St. Mark's team was the first varsity soccer team ever fielded by the school and carried a slight advantage in weight over the visitors. The Governors put up a scrappy game, however, and controlled the play during a large part of the afternoon.

On October 30 the J.V.'s again lost to a varsity aggregation when Brooks came to South Byfield. The lone Brooks' tally came in the third period. Both teams showed aggressive play and kept the pressure on until the final whistle. The Governors threatened several times to even the score, but were turned back each time by the strong defense of their opponents.

The Tabor J.V. eleven came to South Byfield on November 9 and struggled to a 1-1 tie with the home team. The first score was made by Tabor in the second period when the Governors' goal tender inadvertently carried the ball into the goal while trying to field it after an attempted shot by Tabor. Dave Yesair tied the game up in the third period on a beautiful penalty shot through the Tabor goalie. A five minute overtime failed to unbalance the count.

FOOTBALL 'B' SQUAD PLAYS HAVERHILL, PORTSMOUTH

A 'B' squad of the varsity football team has been organized this year under the direction of Mr. Hasse, former all-American star who joined the faculty this fall. This group consists of boys not on the first or second varsity teams, and this season they have played three games.

The Haverhill J.V.'s unleashed a fast-breaking offense and a tight defense to defeat the 'B' squad in its first game of the season at the Haverhill stadium, 20-0, on October 26. At half time the score was 6-0, but the Haverhill boys came back strong in the last two periods and scored twice before the game ended. Jim Soper's kicking was a highlight of the Red and White play, and Bill Lindquist shone defensively.

On November 12 the 'B' squad travelled to Portsmouth to play the Portsmouth High School J.V.'s. Working from a well-polished T-formation, the clippers beat the Red and White club 24-13. Tom Magoun, an 'option' from the first team, paced the visitors attack with two touchdowns on two pass interceptions.

Playing with the Governors' 'B' squad were the following boys: le, Hill, P., Merrow; lt, Saxe, Kangis; lg, King; c, Bellamy, Ward; rg, Lambert, Stanyon; rt, Otis, S.; re, Cronin, Lindquist; qb, McGill, Hartel, Magoun; lhb, Soper, Wilson; rhb, Elliot, George; fb, Gwynne (Captain), Cumings.

**'C' SQUAD DEFEATS
DANVERS ELEVEN, 13-6**

On Tuesday November 5, the Red and White 'C' squad football team upset Danvers at South Byfield by a score of 13-6. The first score was made by Danvers when a long pass was knocked up instead of down by the Governors' defense and a Danvers end caught it. The attempt for an extra point was no good. At the end of the second quarter the Danvers second team was put in; on the following play Gaudin took a 40 yard pass from Ellsworth and ran an extra 55 yards to score standing up. The attempted conversion was unsuccessful. The Governors' second score came in the third period when Adams plunged over after receiving a short pass from Bob Deering.

The 'C' squad football team thus completed its season with a better average than any other team during this fall season. Their record was three wins and one loss.

The 'C' squad lineup included the following boys: le, Captain Bob Gaudin; re, Long; lt, Richard; rt, Allen; lg, Pyke; rg, Randall; c, White; qb, Deering, R.; rhb, Adams; lhb, Attwill; fb, Ellsworth.

Substitutes were: Case, Bruce, Davidson, Hobson, Price, Lawwill, Duffy, Quattrocchi, Edington.

**WATERTOWN SOCCER CONTEST
ENDS IN DEADLOCK, 4-4**

The Governor Dummer and Watertown soccer elevens met at South Byfield on October 23 and fought to a 4-4 tie. The home team got away to a fine start, and at the half the Red and White was leading by two goals, thanks to the scoring prowess of McCusker and Hughes. At the start of the third period McCusker made the third tally, his fifth in two games. Then things began to happen to the Watertown team. The visitors came roaring back to score four consecutive goals in record time. Only Ash Eames' beautiful goal shot with a minute and a half left to play saved the day. Both teams failed to score in the overtime resulting from the tie. McCusker, Eames, Hughes, and Curtis excelled for the Red and White.

The game was favored by a beautiful day and a large crowd of students were present. Several other athletic squads were dismissed early so that they could be present for a part of the contest.

The lineup for the Governors: rfb, Heyl; lfb, Mayo, Brown, N.; rhb, Curtis; chb, Morgan; lhb, Wagner; ro, Houston; ri, McCusker, Deering, J.; c, Hughes; li, Bailey, Hall; lo, Eames, Leighton, A.
